Sub.: Repairs, Rehabilitation & Renovation to the Building of your society. Dear Sir,

With great pleasure we would like to inform you that we have incorporated our firm working inrepair field from 1982 as Shekhawat Construction Company to Shekhawat Infratech Pvt. Ltd.

We are an interwoven team of Engineers, Supervisors, Skilled & Semi Skilled Labors, catering to the needs of specialized field of "structural repairs" to achieve total quality control at source & timely completion of project

"We understand repairs"

Repairs a decade back used to be routinely misunderstood for maintenance and general upkeep and resultantly used to be handled by unskilled and unprofessional contractors.

We have infused scientific approach in the repairs industry. We have

skillfully executed the following specialized areas:

STRUCTURAL REPAIRS

Polymer Treatment

Jacketing

Grouting Micro

Concrete

Troweling

Plastering

Compressed Plastering Water Proofing

Plumbing

Sewer Lines

Pavements

Painting

Interior Designing & Turnkey Works Fibre

wrapping

SOLAR Energy

Rain water Harvesting

We at **Shekhawat Infatech Pvt Ltd** have evolved into a specialized company to handle Repairs & Restoration jobs. Our position as a specialist is enviable as we have been civil contractors traditionally for generations. Construction of new building in the past has given us a clear insight into the numerous grey areas where leakages, seepages, deterioration could occur. This helps us in handlingthe repairs jobs more efficiently.

We at Shekhawat infratech Pvt Ltd have successfully handled specialized repairs in the field of Cooperative Housing Societies / Industrial Premises Co.Op. Societies involving state of Art Repair procedure such as

Structural Strengthening by Polymer Treatment Structural

Strengthening by using Jacketing Structural Repairs by

Grouting and fibre wrapping

Water Proofing by Construction of traditional and latest chemical coatings Plumbing

using latest PVC and Clamping systems

Painting using modern Acrylic and Elastromeric Paints

Plastering Incorporating Hydrophobic admixtures and many more.

We at Shekhawat Infratech Pvt Ltd after having had expertise in understanding of the criticalconcepts of repairs have evolved a Unique system of Execution which is equally critical for successful completion of a repair programme.

The innovating methods of Execution at Shekhawat infratech Pvt Ltd have delivered result to the entire satisfaction of our clients.

Shekhawat Infratech Pvt Ltd has a team of full time qualified Engineers and experienced site supervisors at site to monitor the repairs project round the clock.

Shekhawat Iinfratech Pvt Ltd draws up a detailed Bar Chart to work systematically on aRepair project.

Shekhawat Infratech Pvt Ltd submits to the client in advance the cash Flow chart to facilitate easy funding of the repairs project.

Shekhawat Infratech Pvt Ltd provides Test Report of materials used by required to proveauthenticity of materials.

Shekhawat Infratech Pvt Ltd Guarantees the Repair Jobs executed.

Our Sister Concern Shekhawat Builders & Developers are engaged in new construction & redevelopments.

To sum up one profile we clearly are contractor of Repute & Choice for Repairs & Restoration of your Society / Project.

We undertake & stress equal importance to small & big project.

We look forward to meet the member of managing Committee/Repairs committee to explain our commitment in detail.

For Shekhawat Infratech Pvt. Ltd.

Dear Sir,

You are hereby appointed to carry out structural audit of all the premises of our Society. You are requested to start the above work on Sunday, 7th July 2013 and complete it in all respects on Monday, 8th July 2013. The structural audit report may be submitted to the Society on or before 10/07/2013. In case any member refuses/denies entry to your staff/person to carry out structural audit, you are requested to immediately intimate the same in writing to the Managing Committee of the Society.

Please note there is urgency in the matter as per Notice issued by the B.M.C.

Your professional charges for the above work shall be Rs. 40,000/- (Rupees Forty Thousand only), of which Rs. 10,000/- (Rupees Ten Thousand only) is being paid as advance by Cheque No. 349292 dated 06/07/2013, drawn on Saraswat Co-operative Bank Ltd., Juhu Branch, Mumbai. The balance amount of Rs. 30,000/- (Rupees Thirty Thousand only) shall be paid only after the Structural Audit Report is received from you within the given period.

Kindly put stamp and signature at the foot of this letter as a token of acceptance.

Thanking you,

Asha Colony C.H.S.Ltd Secretary / Chairman

M/s. SHEKHAWAT CONSTRUCTION COMPANY AND ASSOCIATES 75,Laxmi Building, 4th floor, Fort
Mumbai-400 001

Sub: Work Order for Repairs and Restoration of the CHANDRAPRABH Co-Op-Hsg-Soc.Ltd. Irla, Andheri west, Mumbai

Sir,

We have pleasure to inform you that the Society has accepted the item rate Tender given by you, we are appointing you as a contractor for the proposed repair work of our Society building under the following terms and conditions:-

Scope of Work

Specified in the Tender Document and as revised by you as per our discussion on 11th Feb. 2009 for structural repairs, plastering, plumbing, of the building etc.

1. General terms and conditions

All the work will be carried out as per the procedures and specifications mentioned in the Tender Document for Repairs under supervision by our Consultant Ms. S S Associates (50,Goyal trade center, Borivali east).

2. Commencement of Work

Work shall commence within seven days of issue of this work order

(Regd. No. Bom/W-K West/Hsg/Tc/5523/1990-91)

Behind 84 Irla Bridge, S.V. Road, Opp. Anuradha Bldg. Andheri West, Mumbai 400058

3. Materials

- All materials will be used as per the "LIST OF APPROVED MATERIALS" mentioned in the Tender Documents for repairs.
- The Society will not be responsible for any theft and/or pilferage of the materials stored at the site.
- Materials will be procured only from the authorized dealers of the manufacturer or directly from the manufacturer.
- Society will provide electricity power at one point only, distribution of it's, is your responsibility. Charges shall be borne by you.
- Society will not provide water for the work. Water supply, its storage and distribution is your responsibility. Before using water same shall be tested and shall be approved by the consultant.

4. Workmanship and Guarantee

- You will employ qualified workforce and carry out all the work as per proper procedure and specifications given to you. Guarantee for the structural repairs and plaster of the building will be for one year from the date of completion(completion certificate) or two monsoon seasons which ever is later.
- You will have to rectify any defects noticed in the work for the above mentioned guarantee period free of cost.
- While installing grills and weather shades extra precaution will have to be taken to ensure that grooves are provided to install the weather shade and prevent seepage of rainwater.
- retention money will be released after defect liability period or any rectification if required is completed to the satisfaction of consultant.

(Regd. No. Bom/W-K West/Hsg/Tc/5523/1990-91)

Behind 84 Irla Bridge, S.V. Road, Opp. Anuradha Bldg. Andheri West, Mumbai 400058

5. Extra items

In case extra items of work are required to be executed, the rates for such items will be decided on the basis of similar item already existing in the tender or as per the prevailing market rates for Material and labour with a make up of 15% of overheads and profits, whichever is lower, subject to approval of society and consultant. No extra items of work shall be executed without the prior written approval of society and consultant. The rates decided by the consultant to carry out extra items will be binding on both the parties.

6. Insurance

- M/s Shekhawat Construction. Company Confirms full responsibility towards the safety of the workmen during the execution of the contract. Towards this, M/s Shekhawat Construction. Company will arrange requisite workmen compensation policy/labour insurance policy and third party insurance for all casualties and provide adequate proof of the same to the satisfaction of the Managing Committee and submit Photo copies of all the policies to the Managing Committee, before starting the work at the site. Notwithstanding this, M/s Shekhawat Construction Company Will be held responsible and will indemnify for the society if any claim from any workmen of M/s Shekhawat Construction Company and any person injured in the course of repairs to the building, against any kind of injury/damage/ death or anything else whatsoever.
- You will take due care to protect, window panes, etc from any damage during the course of above work. The contractor will barricade all windows with plywood and shall replace the window panes if any damage is done by them during the course of the above work at no extra cost and of the same material specifications within 48 hours from the time of damage.

(Regd. No. Bom/W-K West/Hsg/Tc/5523/1990-91)
Behind 84 Irla Bridge, S.V. Road, Opp. Anuradha Bldg. Andheri West, Mumbai 400058

7. Termination of Contract

- •The society reserve the right to terminate the contract without giving any compensation if the work done is found to be of substandard, not as per specifications and faulty material used as per the opinion of the consultant.
- 8. It is the your responsibility to take care of all the safety regulations/measures and you will be responsible for all the men and material. If any labour found without hamlet or safety belt then society/consultant can levy penalty to concern labour and supervisor of Rs.25/-each per day.
- 9. You shall not be allowed to use societies lift for lifting materials. The contractor shall be responsible for depositing the debris at one place on daily basis at a location indicated by the Society and carting away from the society on a regular basis at his own cost. Necessary permission regarding removal of debris etc from BMC authority or any other authority is responsibility of contractor only and at his own cost.
- 10. Your workmen will not be allowed to stay in the Society premises after working hours, except as agreed not more than 6 workmen along with the Security personals employed by you to take care of the material stored.
- 11. The work will have to be personally supervised by the you or your supervisor and your engineers, who will respond to all the queries and carry out inspection with the Managing Committee and consultant M/s. S S Associates. One supervisor/ responsible person will have to be present every day at the site during the working hours and also your Engineer will be present each working day for a minimum period of half a working day. Normal working hours will be between 9.00 AM. To 6.00 PM. each working day.
- 12. You should inform the entire society member in advance before removal of box grills, A.C. etc. also as an when required for any external, internal work and plumbing work, the members should be informed well in advance.

(Regd. No. Bom/W-K West/Hsg/Tc/5523/1990-91)

Behind 84 Irla Bridge, S.V. Road, Opp. Anuradha Bldg. Andheri West, Mumbai 400058

Page |

- 13. The Building shall be handed over duly cleaned of all cement/chemical/paint stains to the window panes, air-conditioners etc. and complete removal of all debris, after completion of the work. You should clean the building premises on regular basis.
- 14. Work completion Certificate will be issued by the Consultant M/s. S S Associates after their full satisfaction and at completion of each stage of work, without which the payment will not be released.

14.Period of Completion

Period of completion will be 180(One Hundred and Eighty) working days from the date of starting of the work, with grace period of 10 days (ten days). If the above mentioned work is not completed within the stipulated period, other than natural calamities/ unforeseen reasons, a penalty of Rs. 500/-(Rupees Five hundred only) per day will be levied and deducted from the total bill at the time of final payment up to the maximum amount of 2% of the total contract amount. The extension of time will be considered by the consultant for any unforeseen reason for any reasonable period. You should submit their reasons in writing to the consultant when such situation arises. Extension period finally approved by the consultant will be binding on both the parties.

15. Payment Schedule

Minimum billing amount will be Rs. 3,00,000/-(Three Lakh) and not more than Rs. 8,00,000 and payment will be made within 15 working days after deducting 5% retention and TDS as applicable and on receipt of the certified bill from our Consultant M/s. S S Associates.

Retention of 5% of the total cost of the contract will be kept for a period of two monsoons or one year which ever is later.
