Dear,

Customers, Suppliers and Business associates,

We hope you and your family is safe from the ongoing covid-19 pandemic. In these health crises we just wish for good health and peace for each and every one of us. It has been privileged serving you all since 1985 and the trust, support and encouragement given by everyone of you is just remarkable.

We thank you for accepting our brand and helping us grow to serve you even better. Our business channel is incomplete without the support of each and every one of us. In last few months we all have been able to survive on the bond and trust we have infused over the period of time. In these testing times we are committed to support and stand with our esteemed business associates.

Let's all face this crises together and hope business normalcy restores soon. As always it will be privilege to welcome and serve you all again.

Thanking you,  
Popat Bhai,
